ENRICHING ARCHITECTURAL SPACES

Characterised by seamless architectural space, these expansive 3 bedroom homes are a wonderful modern take on grand terrace-style living. Brought to life by a trio of award-winning architectural firms, SJB, Tribe and Architect Prineas their street presence is cohesive yet individual, inspired by a bygone era of wide leafy streets and graceful terrace rows. Ideal northern aspects and abundant glazing bring in plentiful light and air. Spacious living flows to beautiful garden courtyards for easy entertaining. Designed from the inside out, these elegant homes reflect a deep respect for liveability and comfort.
